

is proud to launch
its first fund-raising campaign to benefit

West Island Community Shares

ViaMedica is a new private diagnostic testing facility in the West Island offering:
MRI (Open bore) • Ultrasound • Blood Tests • Vaccines

We at ViaMedica embrace our corporate-social responsibility
and are committed to supporting the West Island community.

Please join us in reaching our **goal of \$10,000**
to help our neighbours in need.

Your participation will make all the difference.....With so little effort you can do so much!

West Island Community Shares raises crucial funds for 30 West Island charities.

It's as simple as **1, 2, 3!**

- 1** Visit ViaMedica for any medical testing you may need
- 2** Identify yourself as a West Island Community Shares (WICS) supporter
- 3** ViaMedica will donate 3% of your total medical bill to Community Shares
